

Membership Application

Types of Membership

Regular Membership

Regular membership is defined as any individual, company, firm, corporation or other form of enterprise engaged in the production or sale of perlite ore; any individual, company, firm, corporation or other form of enterprise, engaged in the production or sale of expanded perlite; and any individual, company, firm, corporation or other form of enterprise engaged in the manufacture and sale of perlite expanding equipment.

Regular membership is open to producers and sellers of Expanded Perlite, Perlite Ore and Furnaces.

Associate Membership

Associate membership is defined as any individual, company, firm, corporation or other form of enterprise not otherwise eligible for "regular membership," engaged in the manufacture or supply of products or services using perlite, or used in conjunction with mining or packaging of perlite or perlite products.

Educator membership

Educator membership is open to individuals who are currently studying as a full time graduate or undergraduate, or employed, at an accredited institution. The individual must provide documentation verifying engagement at the institution.

Membership year spans from January 1 – December 31.

There are many reasons to join the Perlite Institute!

- Your company page on the Perlite Institute website, www.perlite.org, with a link back to your own website
- Product Guides for your use and distribution
- Technical research funded by the Institute

- Annual educational meeting with top-notch speakers
- Updates on Standards, including ASTM, CEN and others

- Access to consultants to answer technical questions
- Invaluable networking with others in the industry
- Quarterly Newsletter, *Perlite Today*
